PROJECTS - APPS

Caffeine Tracker (Appstore).

With just a few taps, log your caffeine and water intake to the iOS Health App.

Activity Score (Appstore).

Based on your daily activity, the app will calculate a score between 0-100. The more active you are, the higher it will be.

Minesweeper solving Algorithm ([Github](#)).

An algorithm that solves minesweeper using backtracking technique. Was a final project for an University Class.
